PUBLIC INSTRUCTION

Student Engagement Survey Progress Update

Please forward this information to all Cognia (formerly AdvancED and Measured Progress) team members, especially the personnel responsible for the Student Engagement Survey.

**The survey window closes December 6, 2019.
Once the window closes, it will not reopen.**

Fast Facts

50,417 out of 85,988 eligible students have taken the survey.
58.63% is the current completion rate of the survey.

Recent Questions and Answers

Q: How do I get Personal Identifiable Information (PII) access to download rosters?

A: Anyone with Administrator access can create new users and grant PII access. However, you cannot give yourself PII access. Detailed instructions on how to do this can be found [here](#) on pages 18-20.

Q: Several student access codes are an infinity sign. For example, it looks like 4E+189. Or 9.00E+45.

A: This is a formatting error on the spread sheet. There are several ways to fix this:

- 4E+189 would simply convert to 4E189.
 - 9.00E+45 would convert to 90E45, or 9E045.
-

Survey and Roster Access

Survey rosters are now available. Administrators and staff with appropriate permissions can access survey student rosters via the [MyJourney eProve](#) platform.

This year, all students will access surveys on the Cognia eProve Learner platform by clicking www.eprovelearner.org/login.

As stated above, rosters will be updated by the NDDPI and Cognia daily. Please be sure to enter students who are new to your school into PowerSchool or STARS for accurate rosters.

Guidance

All guidance documents to assist with survey administration, including FAQs, Scripts, Parent Letters, and an Administration Guide, can be found [here](#).

For technical assistance regarding survey administration please contact the Cognia Customer Care Helpdesk at eprove@cognia.org or (888) 413-3669 Ext. 5720.

With any other questions regarding the Student Engagement Survey, please contact [Joe Kolosky](#) at (701) 328-2755.
