

Preliminary Student Engagement Survey Results Now Available!

Please forward this information to all members of your school's Cognia team.

Preliminary Student Engagement Survey results are now ready for download!

Results are in PDF form. Follow these steps to access results:

1. Navigate to Cognia's myJourney platform, [here](#).
2. Scroll down to eProve Surveys.
3. Find the respective school you're looking for.
4. Click the three vertical dots to the right of the survey.
5. Click "Download Summary Results" (see image below; right click and select "Download Images").
6. You will then receive an email that will instruct you to download the PDF results.
